Blueridge Awards

Who Won?! (Find out June 22!!)

Local resident, **Toby Barazzuol of Eclipse Awards** (click for the link <https://www.eclipseawards.com/>), spearheaded a fabulous way by which to nominate and award a local "stand out" neighbour. Eclipse awards generously donated **six beautiful awards to honor residents in our community.**

We are very excited about one particular award – the **Blueridge Spirit Award!**

It will be presented to “residents who show enthusiasm and passion for the community.” The Association’s board of directors have chosen the winners as nominated by local residents for all six awards .

Wondering who won? Winners will be announced in a community wide zoom presentation on June 22.

Outstanding Neighbour Award — Recognizes a resident who goes above and beyond in supporting their neighbours.

Dedication Award — Recognizes a resident who has contributed to the community in a substantial way for a prolonged time.

Volunteer Award — Recognizes a volunteer who makes a special contribution to the community.

Sponsor Award — Recognizes a sponsor or donor who makes a special contribution to the community.

Elementary School Volunteer — We are planning this award for the next school year in September 2021.

For the second COVID year, the Windsor Grads of 2021 are working with a parent group to send their decorated car cavalcade through Blueridge on Thursday, June 17, at 7 p.m. “The grads of 2020 were met with many unexpected challenges due to the COVID pandemic,” says parent organizer Lauren Gorgounis. “The rite of passage, as far as celebrations go, was left of normal,” she said. “Last year, the news of the Parade was met with

The students, many of them dressed in formal grad attire, assembled in their decorated vehicles in the Canlan Ice Sports parking lot. The vehicles then drove slowly through the Blueridge route to the hooting and cheering of onlookers with happy music blaring from the car radios. Gorgounis, whose own son Lucas is graduating this year, said she and some volunteer parents are working with the Grad Council, which represents the 157 students graduating, “to support what they want. As a parent group of Grads, we are really hoping that the Ministry of Health orders will permit the Grads to come together in a safe environment to celebrate their successes.”

Content Writer Needed!

Over the past 18 months, the Blueridge Community Association has greatly expanded communication to its residents. In addition to this printed newsletter, we send out a monthly e-bulletin to subscribed members and are very active on Facebook and Instagram. We are also currently re-designing our website. To help us with all of these communication channels we are seeking individuals who are passionate about the people and activities in their community and have excellent writing skills. This would be a fantastic opportunity for a journalism or marketing student. Expected time commitment is 2 to 4 hours per month.

Full details of this role are outlined on our website
at <https://blueridgeca.org/volunteer-opportunities/>

Our Business Directory has leveled up!

Over a year ago we started our **Blueridge Business Directory** with the ultimate goal of supporting the local businesses within our very own community. It started off small and it was hosted on the BCA facebook page but as the word got out and more businesses wanted to list with us, we decided it was time to move it to our website. With the help of our amazing resident website design volunteer Jeff Powell we have created a page on the Blueridge website (www.blueridgeca.org) dedicated to our local businesses.

So the next time you are looking to buy a gift or need something done around the house, please do take a look at our Business Directory first and help support local. And if you are a business that is based locally and would like to be registered on our directory, please go to our website and complete the form which is linked at the bottom of the page, and join, FOR FREE!! Happy Shopping and please spread the word!

Thank you Blueridge!

"We would like to express gratitude to Blueridge residents for support and help in finding our 10 months old border collie Chase.

From the moment Chase got lost on My. Seymour Resort on Saturday May 15, 2021 at 9AM, to 60 hrs later when he walked out from behind Tobogganing building on Monday, May 17, 2021 at 7:30PM, Blueridge community was with us every step of the way.

Thank you to all Blueridge residents that spread the word, drove up the mountain, hiked, biked, brought us food and in general sent us positive notes. Every step of the way you were all with us working side by side with us looking for Chase. Your support gave us a needed boost of energy and relief. It felt like the whole neighbourhood was working together to find Chase.

Thank you all. Your help directly contributed to finding Chase! We are so grateful to all of you. See you on the trails"
