

Hard to believe it is October already! After our crazy hot and dry summer, it's nice to see the rain falling again. A reminder that everyone is welcome to the next **Community Meeting**, on Tuesday November 10th at 7:00 pm in the library of [Blueridge Elementary School](#). The Guest Speaker will be from the Seymour Salmonid Society.

On Monday, October 19th - vote in the Federal Election. The BCA will host (with several other North Shore community associations) an all candidates meeting on Thursday October 15th, from 7 - 9 pm at the Mt. Seymour United Church, 1200 Parkgate Avenue. Click [here](#) for more info about the meeting. To vote you only need your voter's information card (received by mail before Oct 1st) and a piece of ID. More info can be found at [elections.ca](#).

The [Sharing Garden](#) has just finished its first successful growing season. Despite a late start they managed to donate food to three different organizations on the North Shore - including Parkgate Senior's Lunch Program. If you'd like to volunteer in the Sharing Garden, or find out more about this amazing project in our own Neighbourhood - please send an email to [garden@blueridgeca.org](mailto:garden@blueridgeca.org). Or check out their [Facebook](#) page. The next work party is Sunday, October 4th from 9 - 11 am - all welcome.

The next edition of the Blueridge Community Newsletter will go out in November. The deadline for submission of articles is October 24th. Here is your chance to become a published author! Send submissions to the editor at [newsletter@blueridgeca.org](mailto:newsletter@blueridgeca.org).
