It's forecast to be sunny and HOT for this Sunday's Blueridge Good Neighbour Day. Everyone is invited to attend Blueridge Good Neighbour Day 2016. The 19th annual edition of BGND takes place from 11 am – 3 pm on the grounds of Blueridge Elementary School. If you haven't attended BGND in the past – expect fun in the sun, with activities and entertainment for all ages. The theme is United World of Blueridge – show your heritage. Here is a link to [photos](#) from last year's event. We look forward to seeing you there. For more info, contact the organizing committee at [bgnd@blueridgeca.org](mailto:bgnd@blueridgeca.org)

BLUERIDGE SHARING GARDEN INVITES

# *Children & The Young At Heart*

PLANT A SEED, WATCH IT GROW  
*pick it up when it's ready to transplant.*

Stop by the Blueridge Sharing Garden table at Blueridge Good Neighbour Day  
to "plant a seed & watch it grow".

---

Join us at 9 am on Saturday, June 4 at the Blueridge Sharing Garden for a hands-on workshop to build a square foot garden. We will learn how to grow the maximum amount of vegetables in the smallest possible space. Bring your garden gloves and be ready to pitch in! We have more volunteer jobs to complete at the garden that day, so don't be shy! For more info contact [garden@blueridgeca.org](mailto:garden@blueridgeca.org) or visit the Garden's Facebook [page](#).

---

Remnants of bush fire from a few weekends ago in a clearing in the woods just east of Blueridge. This has been happening for years and years. What is new is that the forest is extra dry and there is a lot of brush on the ground in this area. All it will take is a few sparks or a fire left to smoulder. Lots of fire in the news lately (Fort McMurray, Whiterock) - let's not have our neighbourhood be the next. If you find evidence of bush fires in the forest, report them to Fire Dept at 604-980-7575. If the you see smoke/active fire - call 911.

---

Stage 1 watering restrictions are in effect as of May 15th.

**Registration is now open  
for Fall Football.**
