

All the news from the neighbourhoods of Blueridge
and Seymour Heights in the DNV

Summer, oh Summer! Slow down and stay a while please! Has anyone else noticed how fast the summer days pass away? We hope you are enjoying the glorious sun, and staying cool and hydrated on these scorching days! Some important info below regarding a Fortis BC rebate; you have to act fast to be included! Also dates for upcoming Blueridge meetings have been set. Read on!

Fortis BC advised that if you have your furnace or boiler or heat pump and/or fireplaces serviced by a licensed natural gas contractor BY AUGUST 17, you could qualify for a \$25 rebate on each service for a total rebate of \$50 (conditions apply). The BCA has been getting quantity rebates for the last couple of years, so if you are interested in participating in this community initiative

please contact us at: **info@blueridgeca.org** ***by August 12!!!!***

Since this is in the middle of summer (Fortis' deadline has been moved up from September 30) we appreciate that many Blueridge/Seymour residents are out of town, so we will *likely have a second round in November, but you will then not be eligible for the \$25 rebate per service.*

Our BCA meetings have been set for the next 12 months. As usual our meetings will be held at the Blueridge Elementary School library at **7 PM on the following dates:**

September 11, November 13, January 8, March 12 and May 14 (our AGM)

Please also take note of our All Candidates Meeting on Tuesday, October 16 at 7 PM at the Mount Seymour United Church. Don't miss out on finding out more about the candidates who are running for Mayor and for Council at the municipal election on October 20! More on this in our newsletter in the fall.

Been on holidays and trying to remember your watering days? Visit the district's [website](#) for a reminder!
