If you haven't attended before the Chum salmon release is a great activity for kids (especially the little ones, be sure to put them in boots as their feet WILL get wet). 3. Choices and Challenges: A Force of Nature Community Conversations **Event** on Wednesday April 15th 7:00-9:00 pm, Parkgate Community Centre. Join Ben West and guests in a community discussion that will explore the many local opportunities we have to move beyond fossil fuels toward a prosperous, clean energy future.
4. Its National Volunteer Week (April 12-18th). From the National Volunteer website,

A volunteer action is like a stone thrown in a lake: its effect has a direct impact. At the same time, like ripples, volunteer efforts reach out far and wide to improve communities. Undeniably, volunteers rock.

A huge "thank you" to the many volunteers that make our neighbourhood a better place to live. Are you looking for [volunteer opportunities](#) in Blueridge/Seymour Heights? We need people for the [Blueridge Good Neighbour Day](#) organizing committee, the [Sharing Garden](#), and the [Blueridge Community Association](#).
